1.1.2 If any issues related to the convocation, preparation and conduct of the General Shareholders Meeting are not regulated by the said documents, they shall be resolved subject to the need to observe the rights and interests of the shareholders.

1.1.3 The Company shall ensure that all shareholders have equal opportunities in terms of participation in the General Shareholders Meeting.

1.2. Terms and Definitions

1.2.1 The terms and definitions used in these Regulations shall be used in the same meanings as are assigned to them by the laws of the Russian Federation on joint stock companies and securities and in the Charter of the Company, except where otherwise stipulated by these Regulations.

Article 2. Proposals and Requests

2.1.1 The term "Proposals and Requests", as used in this Article, shall include (i) proposals to include any issue(s) into the agenda of the General Shareholders Meeting, and/or (ii) proposals to nominate candidates to the bodies of the Company (each a "Candidate Nomination Proposal"), and/or (iii) requests to convene the Extraordinary General Shareholders Meeting of the Company.

2.1.2 Proposals and Requests shall be submitted by shareholder(s) in writing in accordance with the procedure provided for by the applicable legislation of the Russian Federation regulations of the body responsible for regulation, control and supervision of financial markets, the Charter of the Company, and these Regulations. Oral Proposals and Requests shall not be accepted or reviewed.

2.1.3 Proposals and Requests may be sent to the Company at its registered address by mail or courier, or served on the person authorized to take delivery of written communications addressed to the Company. The said authorized person shall take delivery of documents in accordance with internal regulations approved by the Company.

2.1.4 Proposals and Requests shall contain information about the last name, first name and patronymic (name) of the submitting shareholder(s), and the number and category (type) of shares owned by each shareholder signing such Proposals and Requests.

2.1.5 Proposals shall be received by the Company within the period of time stipulated by the Charter of the Company.

2.1.6 Each shareholder submitting Proposals and Requests whose shares are registered in the securities account with the depositary maintaining records of title to the shares of the Company shall provide an extract from the securities account of
such shareholder with the said depository confirming ownership of the relevant number of voting shares of the Company as of the date on which such Proposals and Requests are submitted.

2.1.7 The number of voting shares of the Company owned by the shareholder(s) signing any Proposals and Requests, the total number of voting shares of the Company, and the ratio (percentage) of voting shares of the Company owned by such shareholder(s) shall be determined as of the date of submission of such Proposals and Requests.

If, following the aforementioned date, the ratio of voting shares owned by such shareholder(s) decreases and becomes less than the number of voting shares of the Company which, pursuant to the Charter of the Company, is required for submission of Proposals and Requests, or such shareholder(s) cease(s) to own such shares, the relevant Proposals and Requests shall be deemed valid. Proposals and Requests may not be turned down solely on the grounds described above.

2.1.8 Proposals and Requests shall be signed by the submitting shareholders.

Proposals and Requests shall be deemed to have been received from the shareholders, who signed the same (whether personally or through authorized representatives).

If any Proposals and Requests indicate that there are several submitting shareholders, but such Proposals and Requests are not signed by all shareholders listed therein, they shall be deemed to have been submitted by the shareholder(s), which actually signed them. The Board of Directors of the Company shall have a duty to review such Proposals and Requests, and may not turn them down solely on the grounds that they have not been signed by all shareholders listed therein.

2.1.9 If any Proposals and Requests are signed by an authorized representative of the shareholder, they shall be accompanied by the power of attorney (notarized copy of the power of attorney) complying with applicable regulatory requirements, or other documents, certifying the right of such representative to act for and on behalf of the shareholder.

Other documents certifying the right to act for and on behalf of the shareholder shall include documents certifying the powers of the representative as vested therein by the effective legislation or by the act of the properly authorized government body or local self-government body.

2.1.10 The motivated resolution of the Board of Directors of the Company to refuse to satisfy any Proposals and Requests due to the fact that the shareholder(s) signing the same do(es) not own the requisite number of voting shares of the Company, as stipulated by the Charter of the Company, shall be supported by an extract from the register of owners of registered securities of the Company.

2.1.11 The fact that any Proposals and Requests contain clerical errors or have other technical deficiencies shall not constitute sufficient grounds to refuse to satisfy the same, provided that it is possible, based on the contents of such Proposals and Requests, to determine the original intent of the shareholder, and confirm such shareholder's right to submit such Proposals and Requests. If any Proposals and Requests have material deficiencies, the Company shall give advance notice thereof to the submitting shareholder(s) so as to enable such
shareholder(s) to remedy the same before such Proposals and Requests are considered by the Board of Directors of the Company.

If any shareholder submits a new Proposal related to nomination of candidates to the governing and supervisory bodies of the Company, and a similar Proposal has already been submitted by such shareholder as of that date, the new Proposal shall be deemed to replace the previous Proposal.

If the number of nominees in any Proposal related to nomination of candidates to the governing and supervisory bodies of the Company exceeds the number of members of the appropriate governing body of the Company, the Board of Directors of the Company shall consider only those nominees whose number (from the beginning of the list) does not exceed the number of members of such body.
